Shin ?

Serizawa-san,  
excuse me.  
I'll be  
back.

Shin-  
kun,  
we are  
still in  
a middle  
of an  
experiment

Shin-  
kun ?

When  
are  
you going  
to stop  
this?

I  
felt  
Kokoro's  
presence  
disap-  
pear.  
I  
can bet  
she's with  
that  
child  
....

What's  
wrong  
?

I  
don't  
want them  
to be  
alone.

And  
to know  
there is  
no one  
having an  
eye on  
them.

To use  
this power  
you need  
to  
concentrate

If you  
can't you  
won't be  
able to  
protect  
anything.

But  
.....

That  
child  
does  
not  
stop!

Being  
prepared  
is  
different.

Kokoro,  
why do  
you need  
to be  
so  
stubborn.

.....

.....

Oh  
they say  
enthusiasm  
woman can  
not be  
stopped  
easily.

I  
can't  
see.

I  
can't  
see.

Uncle  
was  
it  
hard?

When  
your  
wife  
died.

I  
wonder.

About the  
things  
I'm doing in  
my life.  
The child will  
disappear from  
all over  
the world.

I  
miss  
her.

I  
want  
to  
see  
my  
Mama.

I'm  
lonely

I've  
always  
been  
trapped  
inside  
that  
room.

I  
want  
to be  
together.

I  
won't  
be able  
to meet  
Mama.

Mama  
only  
ever hold  
me in  
her  
arms.

Like?

Is that  
your  
favorite

animal?

Is  
that  
so-  
It's  
cute.

Is  
that  
something  
your  
Mama  
likes?

Mama  
gave  
it to  
me.

So listen  
well of  
what  
Kunimi-sensei  
says.

Even  
though  
we  
will be

Your

you.

A black and white manga-style illustration of a young girl with long, light-colored hair, wearing a simple dress. She is sitting on the ground in a forest, holding a large, round, stuffed animal. The background shows stylized trees and foliage.

This is  
the  
same  
thing  
that  
Yuu-kun  
did to  
the bird.

A close-up black and white illustration of the same girl's face. She has a wide-eyed, shocked expression with her mouth open. Her hand is visible near her face.

But  
a  
stuffed  
animal  
can  
be  
fixed.

If  
you die  
you won't  
be

A close-up black and white illustration of the girl's face, looking slightly different, perhaps more determined or sad. Her mouth is open as if speaking.

A close-up, black and white illustration of a young man's face, identified as Shin. He has short, light-colored hair and is looking slightly to the right with a faint, enigmatic smile. His features are sharp, and the lighting is soft, highlighting his cheekbones and the bridge of his nose.

Shin is a  
man that never  
withers as long  
as his one  
flower  
is still around  
and alive.

You

A black and white illustration of a hospital scene. In the foreground, a man in a white lab coat and glasses (Dr. Kido) stands next to a gurney where a patient is lying. In the background, another person in a white coat stands with their back to the viewer, looking towards a large, dark, smoke-like cloud of light particles. Medical equipment like IV stands with bags is visible.

soon.

The
wound
doesn't
look too
deep.

But
you know
I want
you to
be
yourself.

Your
powers
may
be
scary.

He's
also
already
fell
asleep.

Ohh.
In spite
of all that
blood, it
was
nothing
more than
a scratch.

Your
done
treating
him?

Will
he ever
get used
to
Adults.

Yuu
...

But I'm
sure in
his life
he might
grow to
trust
them.

As this
reality
grows
larger it
will
afflict
Yuu.

Yuu has
already
killed
5 people
before.

Might
be
difficult.

Something
like
that
should
be
asked.

Will we
always suffer
from this
will there
be an escape
even in
death.

Uncle
even if we
die will we ever
know what
happiness
is away from
these
powers?

I
have
met will
people
who
will tell
me.

Are
you
happy

You
is
also
damaged.

What
am
I suppose
to do
with these
powers?

Uncle
..
What
am I
suppose
to
do?

This
gift

Shin I
have
also said

There
is
more
than you
alone that
haves these
powers.

is
given
to
you.

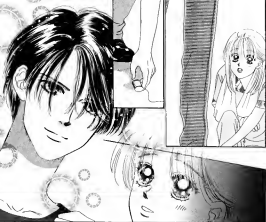

Translator/Etc:
Chalo

They
are
inescapable.

Dang..

It was a special thing to Yum-kun.

His Mom gave it to him so he wouldn't miss her.

I'm sure he'll feel lonely if I don't return it.

Yeah. It's a shame what I did to it

Then there are people like me who don't have that luxury.

You're like this because you were loved growing up

*Is it
that
there
isn't any
memories
of you being
loved.*

*It's
inescapable.*

*You
weren't
loved
....?*

*My
Mother.*

*would
call
me
disgusting
whenever
I
read
her.*

*The
more
and more
I
became
less
normal.*

*It
was
noticeable
at
first.*

*When
my
powers
began to
appear...*

Disgusting!

Don't touch me!

What my Shin?

.... Mom

Does this child read my mind?

It's not normal

Disgusting!

Don't touch me!

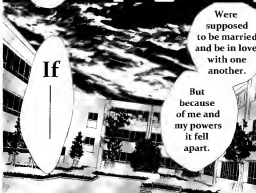

Don't
touch
me!

Why
is
this
child
mine.

Even
my Mom
and my
Dad.

If

Were
supposed
to be married
and be in love
with one
another.

But
because
of me and
my powers
it fell
apart.

If-

If
you
and me
had
a child.

Do you
think that
child will
have this
power
...?

That
kind of
day would
you not
want
it to
come?

Even
Kokoro
as
a
Mother.

Would
you not
regret
giving
birth that
child?

Someday

*there
will
be
that
day*

Ughhh!
19 and 20 are both half
assed translated they
will be out soon!!
So be patient...
Ain't you'all glad I
haven't been sleeping!

^^”

See you soon!~♡♡

My

She
still
loved me
even
though
I was
blind.

My
Mom.

Like
her I
also want
to
be the
same like
her.

She
did
her best
to keep
me safe
and make
me
happy.

Even
though
I had
this major
handicap.

*Kunimi-kun
that
such a
thing
first.*

*I
want
to become
a cute
mother.*

*...Can it
be
done...*

Good morning.

Kunimi have you manage to tell him yet.

Among all the nursing care at this Hospital.
Your Nephew hasn't left the patient's side for even a moment.

Whatever so I'm much annoyed, Matoba.

That thing is not much of a problem.

Not only that girl.

Even neighboring rooms have been affected.

Affected them good, right.

Her wounds healed too early.

Although it was just a laceration, she'll be able to be discharged this weekend.

That child.

What are we suppose to do?

That is a person who has the green hands.

The key.

To the door that opens up Shin's powers.

カズ
"rattles"

She is the key.

And just
looking at
that child it
just helps
recall the
old days

..

These
ESP
powers
we still don't
know much
about them

....

Shin
Hey.

What
is
this...

Make
sure
you read
these.

A
contract?

It is a contract of
the internal research
organizations.
Soon you'll understand
the clarity of the
position Shin.

Because
the more
you're our
property
the more
you
need to
work for
us.

But we also
can't force you
to use
your ability
in life.

You are
the user
of a good
power.

Since
you're
a test subject, if
cooperation in
the research
we will
give you
a reward.

If we
don't
work out
the users
powers.

Here.

Something like this is something to think about.

Or do not want to be obedient

We have to succeed.

I wonder if positive way of thinking is what's better to have.

How am I suppose,

To not want to continue to live and suffer from this strange powers.

Shin

is perfect when it comes to his esp powers.

Even until now, I thought it's amazing.

to meet a person with powers.

Uncle

Perfect?

Are you going to see Yuu?

No good, Shin-kun we still need to view some more experiments in the evening.

This time, is promised time.

Is there anything left to do?

Am I allowed to go?

Then go
protect
her.

Kokoro

you
promised
you'd tell
me so
I could go
and watch.

I thought
that when
she went
to
visit Yuu,

Now
I am
feeling more
loved.

Ha
—

But
instead
of that
nobody
can.

To
excessively
love
is
scary.

Some
thing
like this
can become
hard for
someone...

I'm
envious.

It's
better
then
having
him
quit.

It
will
have to
be
anything.

This
ability
we have
teamed
up to rely
more on Shin,
I'm
desperate.

Because
it's for
her.

Can
I
see?

Really?

I have a test at 5 o'clock for my Psychology class.

What?

Which I can't afford to miss.

Huh?

Kunimi-kun
Kunimi-kun

Come here, please.

Yup, I'll be back in a hour.

Kunimi-kun
I wonder would you play with Yuu-kun while I'm away.

Eh well are you coming back here after?

Please Kunimi-kun.

I won't pass my class if I don't take that test.

I'm still not too fond of that kid.

W-
Wa

I'm fine
I'm fine.

Ain't you still scared of him.

RESEARCH (Experiment)

I'll
be
back!

Why
did
you draw
such an
scary
face.

Kokoro
will
be
mad.

What
is this!
Is it
this
Kokoro?!

Oi!

Grabs

It's
Mama.

Give
it
back
baka.

Such a
thing you
need to
do more
properly.

There's no
way you
never looked
people in
their eyes?

Give
it
up!

Kokoro, I
feel would
be a pink
and yellow
color.

Why do
you mostly
only use
the color
black,
don't
you
want your
pictures
full
of colors?

Here.

And
you, draw
your Mom
in orange
and red.

Your

Mom
what
things
do you
like
about
her?

Also,
would
you like
to see
her.

I
also
want
her
love.

I
would
like
to.

If
there
was
still
a chance
to.

Becoming a Doctor and witnessing death in the line of work.

At times
It
emotional.

To
lose
to
these
powers.

The
people
I think must
go through
when
they lose a
loved one
in this
world.

I have
seen
people lose
loved ones
and lost
their will
to live.

Yes.

Lost
their
will
to
live
—

But
some
people
aren't
like
that.

It does
not
mean
people will
immediately
lead to
death.

Even
lost
of their
loved
ones
and
family.

Since
his
wife is no
longer
here.

Kunimi,
I've thought
that he
might not
wish
to live
anymore.

I..

Sometimes
these are
the
questions
I think
about.

But
I'm
really
not
sure.

Sara-san
was the
one who
lived in
exchanged
of his
wife.

It may
even
be that
the power
let her
live.

I wonder what moves Kunimi.

I also wonder what's become of his hopes.

I miss you.

I miss you.

Once more.

I miss you.

Kurumi
I'm
coming
in.

*I
miss
you.*

Sorry
sorry.

I got
lost a
little on
the way

You're
late
Matoba.

Mina-san
help
guide
me.

It looks
like her
wounds
are
healed
...

I'm
helping
you out
with
your
research?

So it will be ready.

It will advance once we find organ donors.

What it look like Shibata-san's psychical strength is at a limit.

Oh, it's about the Mother of Shibata Yuu-kun surgery.

Is that the file?

Oh, this is an important role.

I don't want to wait anymore.
By now in the United States the transplant surgery has began.

And other than
that I want
you to successful.
Your love
is entrusted
to you Kozuki.

It's
something
you can't
because stop.
It's
fate.

Eh?

It
won't
stop
....

Drawing
I'd say
it was
kind of

Ah
Kokoro

Nnn

I'm good
with any
color, I had
said to
do it by.

It's
still
early,

Yuu-kun,
use
so much
colors
this time.

Beautiful

Until
now
he wouldn't

I still

much
about

I

babysitting
him.

about

strange

I'm

of
it.
